

Reception Weekly Update

Monday 6th November – Friday 10th November

In Maths we have been:

- Looking at what happens to a group when something is added or taken away.
- Creating and experimenting with marks and symbols to represent number. Using drawings, lines |||| and dots ••••

In Phonics we have been:

- Using our wipe boards to create patterns. Eg. o
o o and \\\\/.
- Introduced to the phoneme 'd' 'g' and 'o' – we have tried to articulate 'd' 'g' and 'o' and mark make 'd' 'g' and 'o' and find 'd' 'g' and 'o' in words.
- Learning to read and write the tricky words 'no' and 'go'

In guided reading we have been using magnetic letters to:

- find phonemes we have learnt so far.
- build our new high frequency words, is, it, in, at, as, an.
- build cvc words eg, cat, pin, dog. We have been thinking about what letter we need at the start, in the middle and at the end.

Topic leaflets are coming home today, please read and then return with your / your child's comments!
We look forward to reading them.

Phonic workshops are next week:

Wednesday at 9am for Puffins

Thursday at 9am for Choughs

Don't forget to sign up.

We look forward to seeing you.
