

## Children's Topic Questions

Do we have bones in our necks?

Do our nose and ears have bones?

Why do bones float?

Which bone is the smallest?

How do bones move?

What are bones made of?

Why are bones inside us?

### **RE**

In RE the children will be thinking about what makes them and other people special

### **Music**

We will all be learning to play the violin!!!.

## Maths Passports

Please continue to work on your child's maths targets each week. We aim to assess and give new targets, if appropriate, every fortnight .

### Activities

- We will be exploring our senses through a range of activities
- We will be making skeletons etc as part of our topic related art.
- We will be using control programmes during ICT
- We will look at the changes that have happened to us as we have grown
- We will be thinking about how we keep ourselves and our bodies healthy

### Events

Interviewing experts:- details to follow

We will be visiting Newquay Zoo

Watch out for fundraising activities!!!

### Other Activities to do at Home

- Talk about halving and doubling at teatime/ making packed lunches/ out shopping.
- Reading non-fiction books about our bodies and how they work
- Drawing, painting, making any topic related items to bring in and talk about.
- To look at family photos and discuss how people have changed.
- Counting in 2s 5s and 10s

### Reading and Spellings

Please, please, please continue to support your child at home with their reading and spellings. Your support is invaluable and makes a huge impact on the children's confidence. Thank you!

### **PE**

We will be taking our PE outside this term. Please ensure that your child has a full PE kit in school at all times with either trainers or plimsolls.

### **Literacy**

#### **In Literacy we will be:**

- Learning and dramatising the story of Funnybones.
- Reading and writing non-fiction texts relating to bones and bodies.
- Writing skeleton poems.
- Continuing to build on our writing skills eg use of adjectives, verbs, sentence openers, and making sure our writing makes sense to others.
- Continuing to practise the reading and writing of the alternative spelling of vowel sounds e.g. see /sea and snail / play.
- Remembering to use capital letters and full stops.
- Beginning to use other punctuation.

### **Mathematics**

#### **In maths we will be:**

- **Using numbers to 100 to count, read and write**
- **Counting on from any given number**
- **More/less**
- **Number bonds to 10/20**
- **Addition, Subtraction, Multiplication and Division**
- **Counting in 2s, 5s and 10s**
- **Solving word problems**

## **Setting Sails Curriculum**

### **Bones**

#### **Hérons and Kittiwakes Summer Term 1 2017**
