- Look at a globe or an atlas
- Try using a compass
- Can you make a telescope?
- Look for shapes in the environment

Reading and Spellings

We will be starting to send spellings home this term. Please, please continue to support your child's learning by helping them to write out their spellings. Keep up the good work with reading at home!

PE

We will be continuing our PE inside this term. Please ensure that your child has a PE kit (shorts and t-shirt) in school at all times.

Literacy

In Literacy we will be:

- Learning the story of Chicken Licken off by heart.
- Using story language and actions to retell our story.
- Planning and writing an innovation of the story 'Chicken Licken'.
- Thinking about 'What makes a good sentence'.
- Using punctuation in all our writing.

Mathematics

In maths we will be:

- Practising addition and subtraction
- Using the part, part, whole method to partition numbers
- Learning number bonds to 10
- Using a wide range of mathematical resources, models and images for exploring and recording number
- Counting forward and back from any given number
- Problem solving and reasoning using mathematical knowledge and language.

Setting Sails Curriculum

The Sky

Hérons and Kittiwakes Autumn Term 2 2017
