

The Great Fear of London

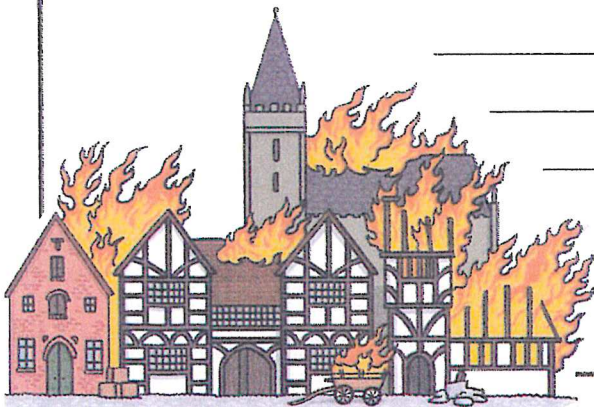

By Logan Ruocetfield

What was London like in 1666?
It was heaving with poor souls!
It was smelly. It was busy!
Poor people lived on narrow
streets. It was busy.

There was a barter ho
lived in purdipn lane.
Fior was essential.
Fior was essen Tia deo
s tookbor, and candal
lite.

Monday 3rd September
Fire raged down the street
The people who were brave
I + Walsingham to park L. D. S.
got from the sky
Night look + like day

Tuesday 14th September
I got big land Bigh
the people were
the people were sad
there were no more
there glad.

Wednesday 5th September
The King ordered the hoses to
be rolled down then
blown up with gun
powder.

A city in ruins,
~~What~~ What a sad sight to
 see. The city in ruins. Many
 people was surprised
 people lived there
 in straits!
