

Pipits Weekly Update!

12.11.2018

- We have been talking about bonfire night and the children's experiences of fireworks; describing what they saw and heard. We made our own fireworks pictures by using cut up bottles and mixing paint.
- In the school hall we have had great fun bouncing, throwing and catching balls. This really helps to strengthen important muscles and control our movements.
- We are starting to learn songs for our Christmas play 'Robin's So Excited'. Letters will be handed out soon telling you the role your child has chosen. We find if they choose who they want to be they enjoy it even more!

Home

Thank you very much to everyone who has brought in items from your walks. It has been lovely hearing about your adventures!

A huge thank you for your donations of spare clothes, they are greatly appreciated.

Have a lovely week!
