Dear parents & carers,

You will have noticed that due to many different personal circumstances, our usual staffing has been impacted this week. I appreciate that it can be unsettling when we have any staff changes, no matter how temporary, so I just wanted to keep you updated.

In terms of long-term absences and cover in place;

- Miss Sturges (Nursery) – Miss Mostert
- Mrs Phillips (throughout school) – Mrs Groves

Like any school/workplace we also have some short-term absences, and these are being covered as and when we know about them.

Consistency of cover is a constant challenge when we do not know length of absences, or people's availability, however that will always be my preference and we do try to maintain the same person covering where we can, depending on availability of cover staff.

There are generally no changes in terms of any supporting staff who would usually be in classes.

Nursery parents have been kept up to date throughout Miss Sturges' absence and I will continue to let all parents know of any long-term absences.

I am very grateful to all the staff who have covered for their colleagues or those who have come into school to support us, particularly this week.

Thank you for your understanding,

Leisa Farrar
