Good Morning,

As we move to the possibility of more remote learning can I ask you to complete a further information sheet to enable us to be adequately prepared to offer remote learning in a timely manner.

What Year group is/are your child(ren) in?	
Do you have a device at home to access the internet other than a phone?	Yes/No
How many devices do you have access to?	
How many children (not just at our school) will need access to them?	
Are there any barriers to learning at home that we should further consider? If so please let us know how you think we could help.	
Please provide an email address for one of the main contacts for your child(ren)	

If we could ask for all forms to be returned by Monday 5th please

Thank you for your assistance with this information,

Kind Regards

Mrs Leisa Farrar

Headteacher
