Learning Together and Open Classroom

<u>Learning Together 2.45—3.10pm</u> Our first session is on: Thursday 8th November.

And after this it will take place every Wednesday apart from 14th November when we will be at the cinema!

Wednesday 21st November Wednesday 28th November Wednesday 5th December

These sessions will be led by Mrs Sharma Benjamin, our maths coordinator, and will focus on how we teach addition and subtraction using the new mastery approach.

All parents are very welcome to attend.

Please arrive at school by 2.45pm and enter through the classroom doors once the playground gate is opened at the end of afternoon playtime.

Open Classroom 3.10-3.20pm

Open classroom gives you the opportunity to pop into your child's classroom once a week to look at their books and the classroom displays. Each week there will be a different set of books for you to look at with your child. This is not the right time to discuss your child's progress with the teacher, but separate appointments can be made if you have any concerns or questions. Please just ask.

Topic Activities

- Use ICT to research games
- Questionnaire to ask parents about games they played
- Learn new games

Hopscotch

Duck, duck, goose

SPECIAL EVENTS

A class trip to the cinema is planned for Wednesday 14th November to see 'Ferdinand'. The film showing begins at 13:00 and finishes at 14.50. This is a free event sponsored by "Into Film".

<u>Homework Project</u> Questionnaire about Games

Ask your parents some questions and draw and write about one game your parents played when they were at school. Please return your homework by 1st December.

Other Activities to do at Home

- Read daily
- Point out full stops, capital letters, question marks and exclamation marks when reading
- Practise spellings
- Play games such as snakes and ladders
