

Seed Bombs

Bug Houses

RE

In RE the children will be thinking about our special people.

Music

We will be listening to and composing our own topic related pieces of music.

Activities

- Designing and making Bug Houses
- Life cycles of bugs
- Mapping skills and directional language
- Making seed bombs to attract certain insects
- Painting stones

Events

A visit from a local Bee keeper

Other Activities to do at Home

- Read non-fiction books to gather insect information
- Create and design your own imaginary insect
- Make a map to show your route to school
- Bug inspired cookery

Reading and Spelling

We will continue to send home spellings this term. Please support your child's learning by helping them to write out and learn their spellings. Keep up the good work with reading at home!

PE

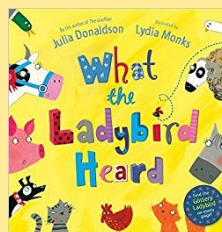

Our PE sessions will be outdoors this term. Please can your child bring a suitable pair of plimsolls or trainers. Thank you.

Literacy

In Literacy we will be:

- Reading the book 'What the Ladybird Heard', and using it as a focus for our ongoing spelling, punctuation and grammar activities.
- Practising our instructional writing after making our bug hotels.
- Looking at a variety of poetry styles and creating our own insect poems.
- Writing questions to ask when interviewing a local expert.

Mathematics

In maths we will be:

- Counting forwards and backwards in 5s 2s and 10s
- Doing multiplication and division within 20
- Exploring place value of numbers to 50+
- Exploring fractions
- Building our fluency with number bonds to 10/20
- Recognising the value of coins
- Reading time to o'clock and half past
- Using a variety of models and images to represent number

Setting Sails Curriculum

It's a Bug's Life

**Heron and Kittiwakes
Summer Term 1 2019**
