

A hand-drawn border surrounds the text, consisting of wavy lines in orange and red. The orange lines form a larger, more continuous border on the left and top, while the red lines are more fragmented and appear on the right and bottom.

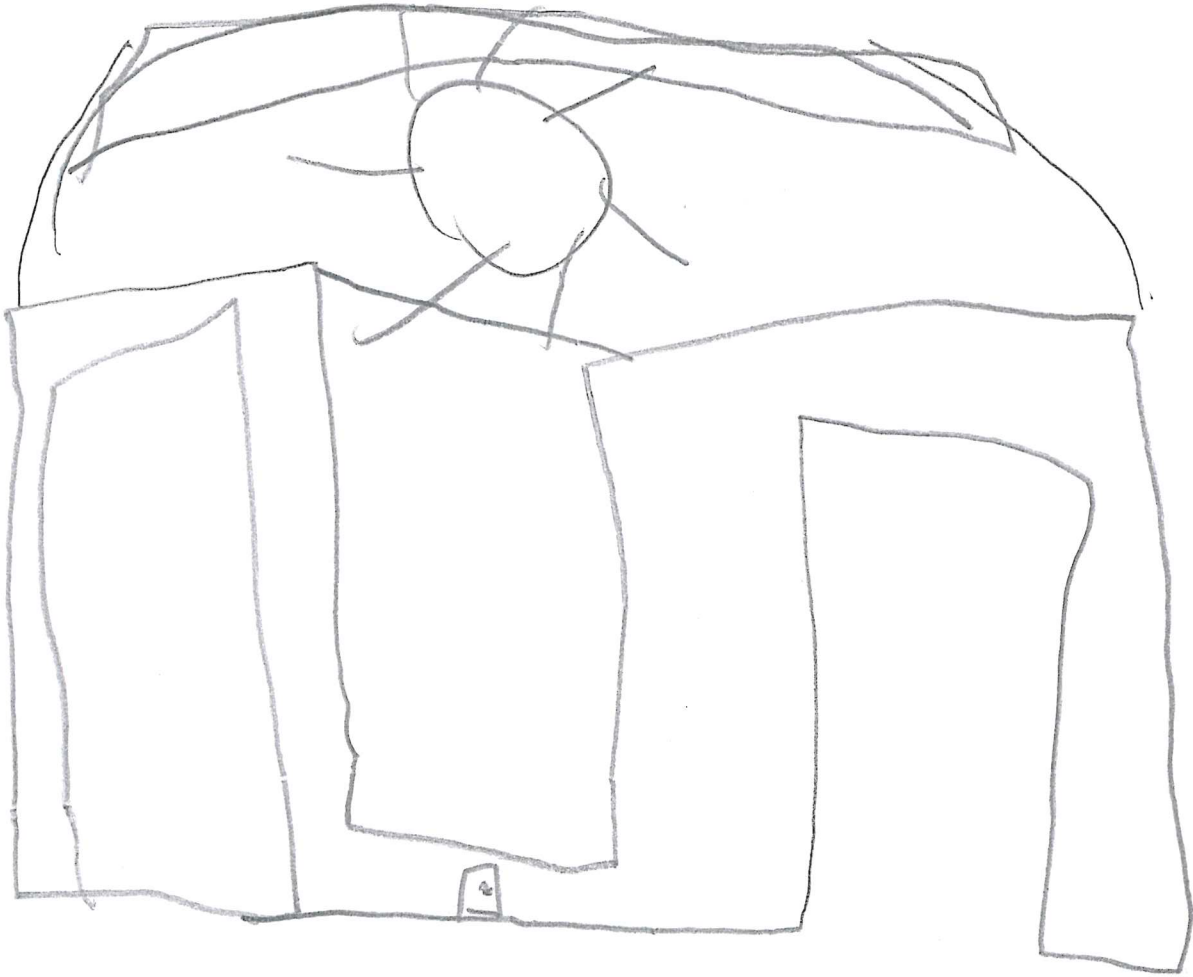

The
Great
Fire
of

London

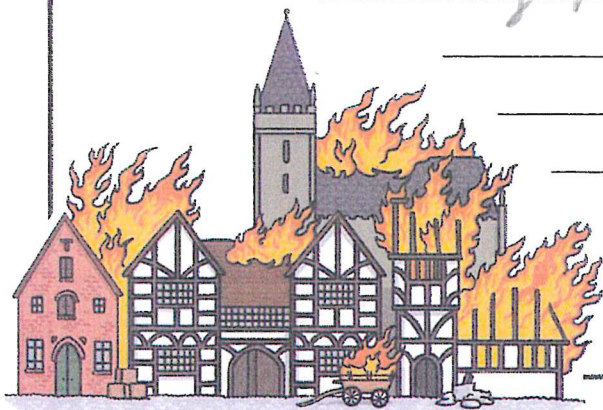

by Izzie
Lester

In 1666 London was
a very overt crowd
led with ~~people~~ people.
London was the capital
of London. Enon and
make the houses
were made out of
sticks

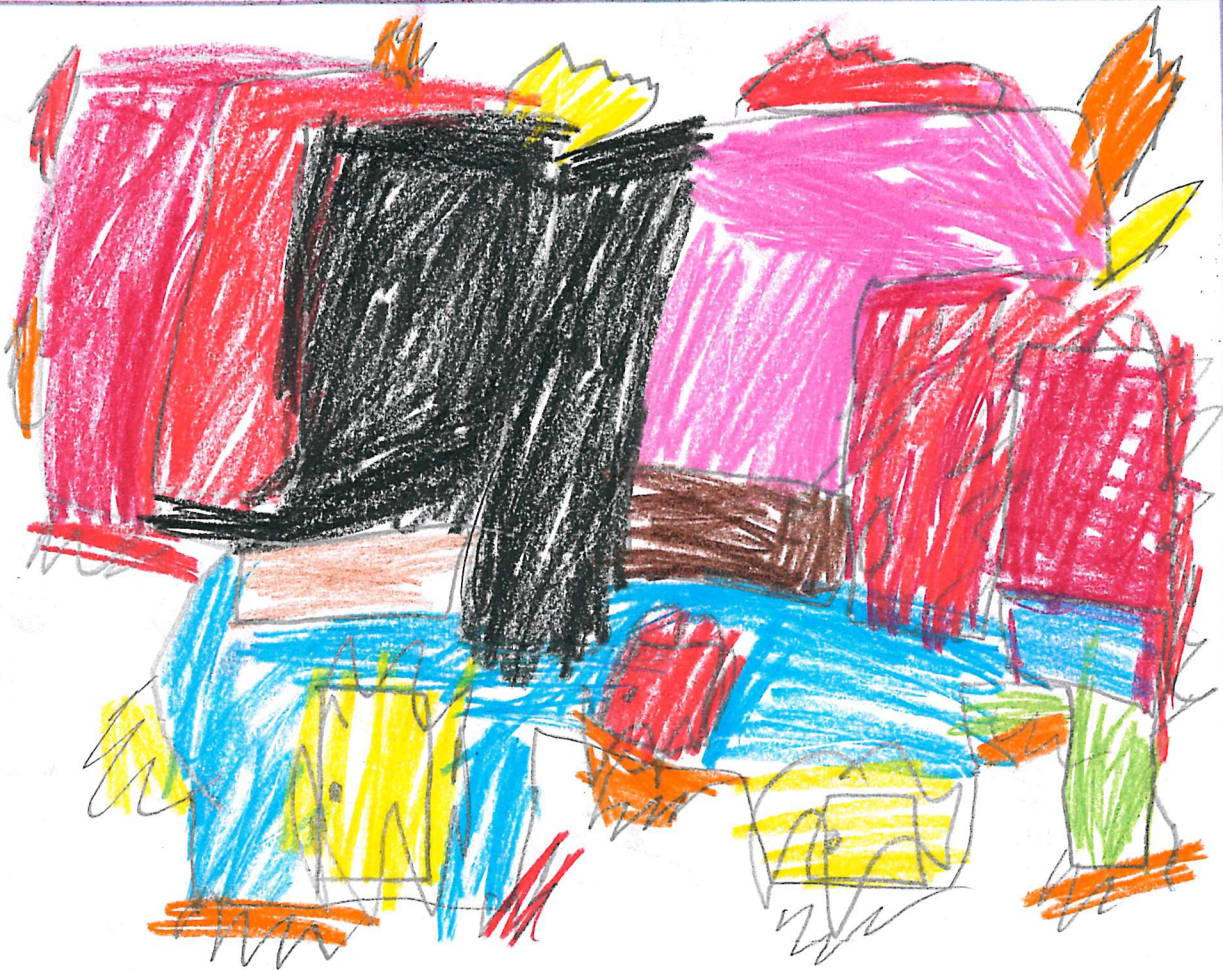

Essential Fire
was essential for
Cooking at that time.
Thomas Farer was
a good baker. When he
went to bed he saw a
out the fire his lorts
was up to have a candle
thought.

25th day of September
September 25th By the
works the fire was
raining it was caused
by the woodchuck
September 25th

the shock did people
because it was so strong
by oh + no how much
pypp people have did.

Tuesday 4th Sept
the king odood
king ch. ill the Goko
so Paul ~~had~~ ~~on~~ ~~the~~
house is be ~~on~~ ~~the~~
fire was to quick
~~the~~ there blow up the
house they ~~part~~
back too ~~over~~ too.
~~but~~

Wednesday 14th
September Demolish.
A spark lantern on
work road. Felt. Park is
cathedral road.

A city in ruins
Half of the great
tower of London was
burnt. London was
unrecognisable
people was hear in London
to was & u

A City Rob wlt
London was red
by to it took 30
years to red it
London.
