

Pipits Weekly Update!

14.3.2019

This week some children have been interested in the book 'How to make a pizza'. We chatted about making pizzas and what toppings are our favourites. On Friday we made our own pizzas!

- We have been having a go at finding our own names and then seeing if we can spot the first letters of our names. We played a game to see who could hear the first sound in their own name.
- We have loved retelling the story of the Three Little Pigs. Some of us have been building houses with the big blocks, others have drawn pictures of the characters and outside we have played with straw in the wind!

At Home

- We thought about the difference between letters and numbers and have been looking at the children's names and the first letter of their name. When you are out and about you can play games of who can spot a letter or word- keep an eye out for signs, posters, and house names. Can they see any words? What might they say?
