

# Reception Weekly Update

Monday 30<sup>th</sup> September – Friday 4<sup>th</sup> October

We have been:

- We've been building our finger muscles using tweezers to harvest peas and sweetcorn!
- Talking about the structure of our traditional stories in Guided Reading e.g. character, setting, problem, solution
- We've been ordering numbers to 10 and then to 20 in Maths. We have also been exploring different 2D shapes and their properties
- Playing 'what's in the box?' in phonics and identifying the initial sounds of the objects in our box
- Continuing daily finger exercises to build strength in our fingers to help us hold tools for drawing and creating

Please remember we have open classroom every day which is your opportunity to come in and choose books to share and take home with your child. Please record these in your child's yellow reading record diary.

**Next Wednesday afterschool from 3.15 - 4.00pm we have an extended open classroom time. If you wish to speak to your child's class teacher, we will be available to talk to.**

**Thank you!**
