#### Rag Bag Bin

[Rag Bag - Textile Recycling \(rag-bag.co.uk\)](http://rag-bag.co.uk)

Our much-awaited Rag Bag bin is here on site! Full details of what can be left can be found on the link above.

Fantastic timing for a sort out over half term. The bin is placed near to where our premises join the junior school (near our bins) and is easily accessible throughout the holidays and out of school hours.

#### AGM

Annual General Meeting (AGM) will be held on Tuesday November at 6pm, here at school.

Everyone welcome.

Please see the attached leaflet from Dawn Steven, Chair of FOSIIS

### Staffing

Staffing continues to be a challenge, but as and when we are aware, we are trying to secure the same person to cover. Unfortunately, this in itself is difficult in the current environment.

#### MAD (Make a Difference) DAY

Our next M.A.D day is the **tomorrow at 10am**. We are continuing with our Early Years outdoor development. If you can help, please email me on the Head email above.

## Attendance

*Every Day Counts!*

A reminder that any absences should be reported to the school office before 8.30am on the day of absence.

Our full policy regarding absences (including lates), subsequent support and/or actions can be found on our website.

[Welcome to St Ives Infant School \(st-ives-inf.cornwall.sch.uk\)](http://st-ives-inf.cornwall.sch.uk)

Please do get in touch if you find getting to school on time difficult, for whatever reason, we are here to help and support.

## Final Note

Thank you for your parents evening responses. Last year, the move to online/phone appointments meant we had between 96% - 100% attendance. Our highest ever!

We are continuing with this method due to the additional restrictions Cornwall Council have asked us to put in place but also to support these being more accessible for our parents.

As mentioned last week it is our hope that the restrictions from Cornwall Council & Public Health will be lifted in Autumn 2 and we will continue to keep you informed.

Have a lovely weekend,

Mrs Leisa Farrar
