Karl Newson (Author) and Duncan Beedle (Illustrator) are visiting school on Monday afternoon to talk to the children about their new book 'I really, really need a Wee!'. We are very lucky that they have agreed to then join Stories by the Sea for our parents evening on Monday afternoon. Their book will be available for the special price of £5 (usually £6.99) and they will also be able to sign copies of the book.

*****Special Offer – ALL books £5!*****

Stories by the Sea will also be selling a range of books at a reduced rate of £5.

Heather will also be available to offer any advice about books. She has a wide and very detailed range of knowledge around children's books and has been instrumental in supporting our choice of books for the school library.

Year 1

Families with children in year 1, whose appointments have been postponed, are also very welcome to visit us on either evening, to look around the hall, library and in your child's classroom. Books will also be available to view.

Polite Request

We will have staff around school to support, we ask that you supervise your children at all times being respectful of meetings going on in individual classrooms.

As you are aware covid cases locally are rising, we respectfully ask you to be mindful of not overcrowding areas and maintaining distances. All doors will be open to support additional ventilation.

***Due to Parents evenings – no clubs will run next week**

Kite Making workshop

The St Ives Kite Making Festival is taking place on March 26th on the Island.

There are lots of opportunities to be involved and make your own kite on many kite making days.

We are really pleased to be hosting a workshop for 20 children and with accompanying adults, on Thursday 24th March.

Places are still available. If you are interested, please call in the office for further information or to book a place.

Staffing

Further to knowing that Mrs Stevens was retiring at Easter, we have undertaken an office restructure. Miss Karen Cocking has decided to further her career elsewhere and will sadly be leaving us on the 7th April. We would like to thank her for her work at the school over the last 15 years and wish her all the very best in the future.

Mrs Capon will be joining school as a teaching assistant after the Easter Holidays. She will be working across school, and we look forward to welcoming her to our team.
