

The
Great fire
of
London

by Wianle

It in 1666 London
was heaving with
people was a baker
in Pudding Lane
it was a search
for the Letty was
stick close to
the site spread
becomes the Letty
was close to
get the site
stools were chide

to cook
with was a bag in
pudding Lane & it
was a such a site
was essential

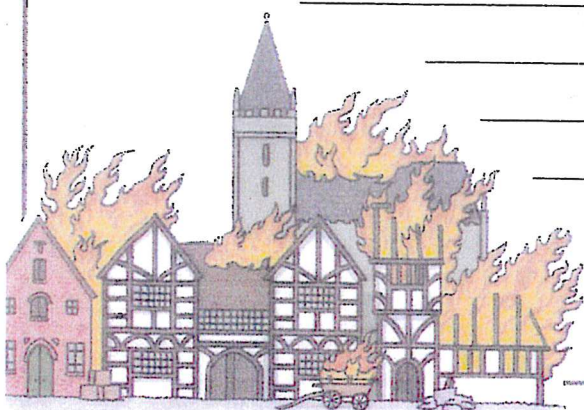

Sunday 22nd September
The letter was
stuck close to the side
board. becomes the
letter were together
a em be feel
not of there
union.

Monday 2nd September
 The fire started
 was the broken area
 the wooden wagon
 the people lived
 their homes the fire
 broke.

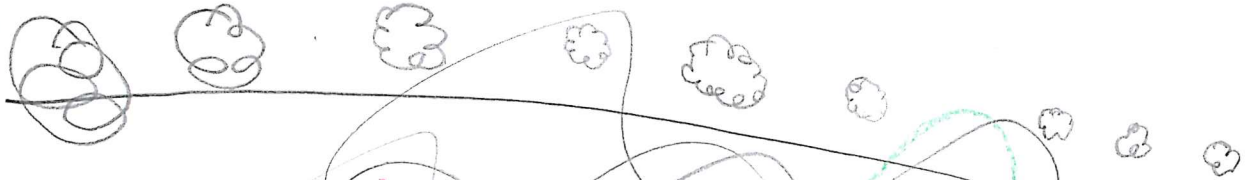

The story that
she told
The she was
and the houses
were the she was
so hot they couldn't
get near to put
it out the people
gied their horns

Wednesday 5th
September the
18th the taking
household of the sun
to the house of the sun
did up in this

The ~~lovely~~ way
to stop the fire
was to pull down
the house.
With a fire
they braced
A ~~demolition~~ and
a spark landed on
the roof.
The roof started
to burn and
the rest.

~~LONDON ON FIRE~~
S CITY IS RUINS
LONDON WAS BURN
UNRECAHISTED
GR CHURCHES
HAD BURNED
DOWN
