

St Ives Infant school-Year One- How Do Vegetables Grow?

Geography Skills

I know that there are 4 countries in the UK and I can find these on a map.

I know that each of the countries have a capital city and a national plant.

I can find where I live on a map of the UK.

I can use the compass to say which direction places are in on a map.

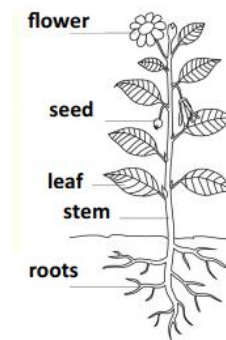

I know that we grow vegetables in the UK and in Cornwall.

Country	Capital City	Flag	National Flower
England	London		rose
Scotland	Edinburgh		thistle
Wales	Cardiff		daffodil
Northern Ireland	Belfast		shamrock

Vocabulary

Branches	Parts that grow out from the tree trunk and have leaves, flowers or fruit growing on them.
Flower	The part of the plant that is often brightly coloured and grows at the end of the stem.
Garden	A piece of land next to a house with flowers, vegetables and other plants and often grass.
Leaves	The part of a tree or plant that are flat, thin and usually green.
Plant	A living thing that grows in the earth and has a stem, leaves and roots.
Roots	The parts of a plant that grow under the ground.
Seed	The small, hard part from which a new plant grows.
Stem	The thin, upright part of a plant on which the flowers and leaves grow.
Vegetable	Plants such as cabbages, potatoes and onions which you can cook and eat.
Capital City	The city where the government sits.
Compass Point	Any of the main points on a compass: North, East, South and West.
Country	An area of land that is controlled by its own government.
United Kingdom	Includes England, Scotland, Wales and Northern Ireland.

Science Skills

I can name a range of vegetables such as potatoes, onions, carrots.

I know that some vegetables grow above the ground and some grow below the ground.

I know that plants need sunlight and water to grow.

I can explain how to grow a bean plant.

I can label the main parts of a plant.

I know what I could grow in my garden.
