Note from Mrs Farrar

Unfortunately last weekend saw another bout of vandalism and debris left on site. A positive from this is, that on arrival at school on Saturday, a group of several children about 10 – 11 years of age were bringing the bikes back up to school after finding them by the leisure centre. I believe the children had been swimming. We would like to pass on our thanks to those children who helped my husband collect and secure all the bikes. They showed a real community spirit which should be celebrated!

The latest incidents have been reported but we would really appreciate people being vigilant when crossing the school site out of hours.

On a more positive note, Reception held their phonics workshops this week which were very well attended. Thank you to everyone that came, working together in this way is only going to be of benefit to our children.

Have a lovely weekend,

Mrs Farrar

FOSSIS

Please see the attached letter regarding the Christmas Fair. If you can help man a stall on the day that would be fantastic and a huge help. Please see Dawn or let the office know.

Several people have asked if they can make direct donations towards the current CCTV fundraising appeal. FOSIIS are happy to accept these and have placed a collection box in the office. Thank you so much for your support.
