Advice to all parents - Single Confirmed Case

Dear Parents,

We have been advised this afternoon, that there has been a confirmed case of COVID-19 within the school. We have communicated with staff and parents of children who need to isolate clear guidance for self-isolation.

We are continuing to monitor the situation and have taken advice from Public Health England, Department for Education and the Local Authority. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The school remains open and, providing your child remains well, they can continue to attend school as normal. We will keep this under review.

What to do if your child develops symptoms of COVID 19:

If your child develops symptoms of COVID-19, **you should organise for your child to be tested** via the [NHS online portal](#) or by calling 119. Your household should isolate until you receive negative test results.

Symptoms of COVID 19:

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough **and/or**
- high temperature **and/or**
- a loss of, or change in, normal sense of taste or smell (anosmia)

How to stop COVID-19 spreading:

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19

Do:

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at <https://www.nhs.uk/conditions/coronavirus-covid-19/>.

Yours sincerely

Mrs Leisa Farrar

Headteacher
