

Pipits Weekly Update!

2.5.2019

- This week all of the children have planted their own sunflower seed. We are very excited to see how they grow; the children have been asking each day if they have grown yet!
- We have been introducing rhyming words. We have introduced them by saying rhyming words are words that sound the same at the end. The children have loved playing our Silly Soup game, which if you google you will find videos of the song online.
