

The
Great Fire
of London

London

by Ashleing

In London it ~~was~~ was
slingcar and ~~it~~ are crowded.
The houses were close to never far.
~~people the streets~~ There was a
lot of people the streets

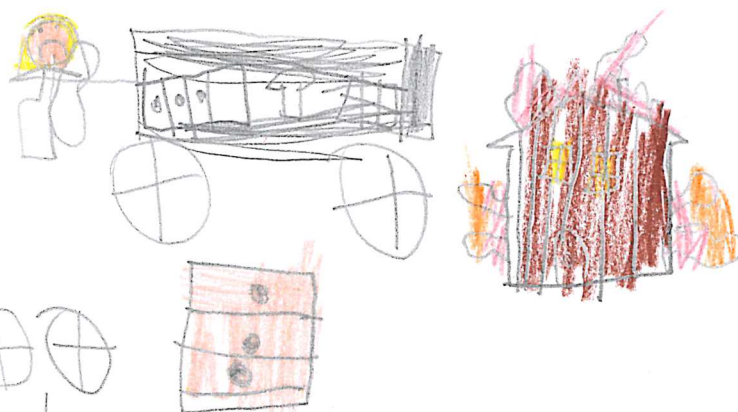

The houses are made of wood
The houses ~~the~~ were close to gether.
The streets were filthy and.
In flooding land
in Tong's Farmer's baree Tambo's.
ukooa he A stranger came
out the ukoon he got he
put it out proper Sunday
morning. the great fire
started unreachible.

Monday 3rd september

The people fled their homes.
The fire raged. They hid their
valuables. ~~Ash~~ Ash fell
from the sky.

TUES day 4th September

The fire was so hot they
couldn't get near to put it out.

The people fled their homes.

Taking their belongings with
them. The people were sad

wednesday 5th september.

London lost £ 87 Cherise

The King gave ~~alms~~ ^{alms} to

people with no houses.

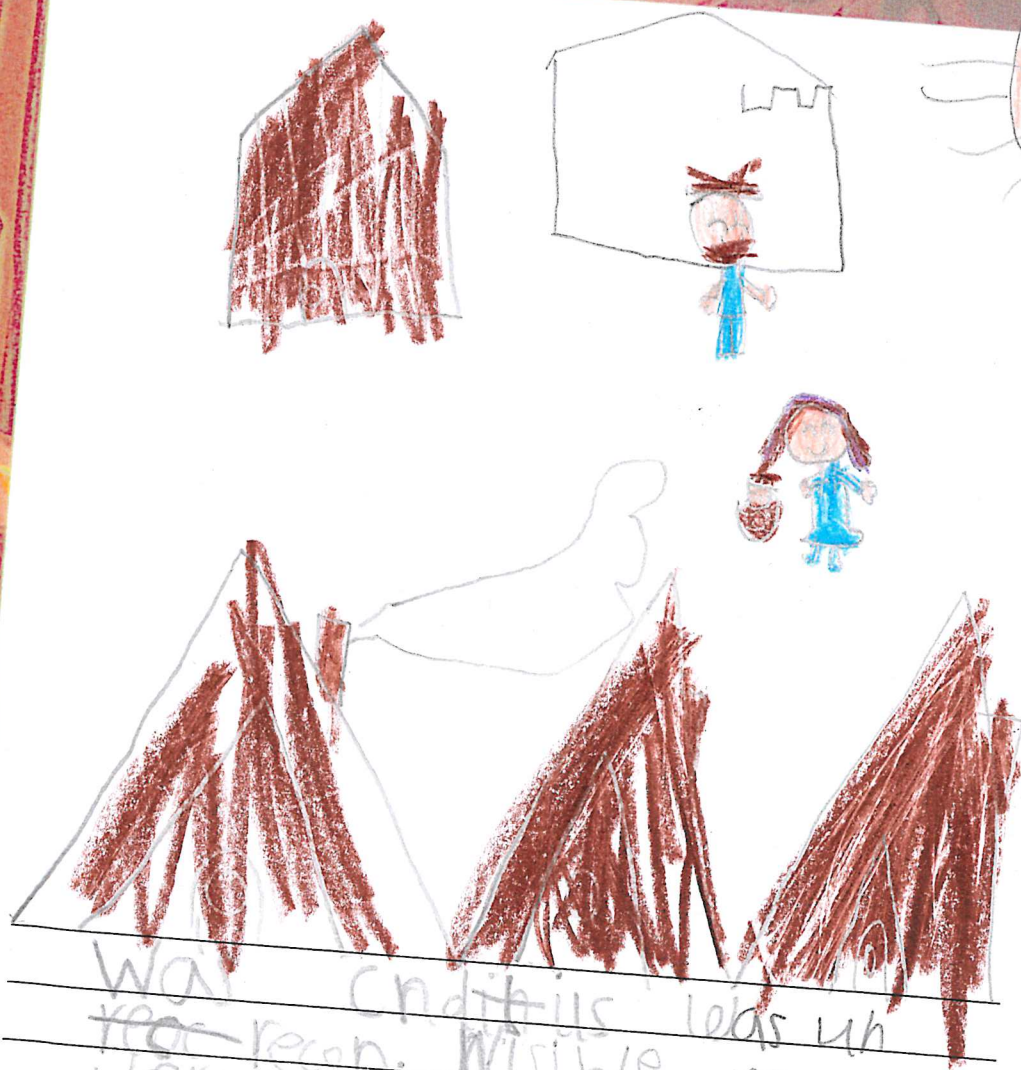

The fire got close to the ⁵⁶ ~~fire~~ st ~~st~~

~~Pauls~~ ^{Pauls} ~~the king~~ ^{the king} ~~ordid~~ ^{ordid}

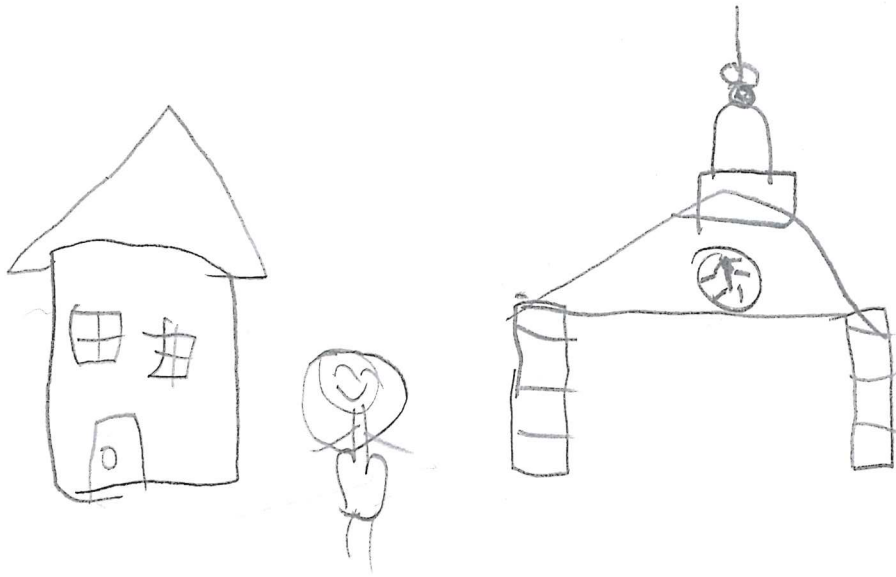

the houses to be blown up with

gun powder and demolish

War conditions look up
~~recon~~ recon. Visible people
were homeless. London had a
lot of ash. And houses
were full but there were more
of war.

SUM people in house los hys sum
 hap. ~~people~~ ^{were} home. The fire
~~th~~ ~~it~~ took 30 yls to feed
 reebild London. London was
 Reebild ~~from the~~ London had
 how bildinggs Made of bric and stone
