

# Pipits Weekly Update!

17.9.2018

- We are practising counting up to 5. We have been singing the song '5 Little Speckled Frogs' to help us think about numbers.
- We have had a go at drawing pictures of ourselves to help decorate the nursery.
- Carrying on with our colour exploration we have been on a colour hunt around the nursery. Have a look at the 'What we have been doing' board by the pegs to see some pictures.

## Help us!

- Please make sure everyone comes in with some spare clothes and wellies. Bringing a coat is always a good idea and the weather changes hourly!
- We have been looking at colours. Please could you talk at home about your child's favourite colour and bring in a colourful object. E.g. a purple dinosaur.

## Have a lovely week!
