Can I go into the classroom with my child?

Unfortunately, due to current restrictions we are not able to facilitate this. Please be reassured the wellbeing of your child is our priority, we will ensure they are comforted if they are upset. We will look after them.

What if I have children in different year groups?

You are welcome to stay in the school grounds, however we would ask you to wait on the school field and ensure you are socially distancing.

What about at the end of the day and I have more than 15 mins to wait?

Please collect your children at the later time BUT only where there is at least 30 mins wait time. If there is only 15 mins we would expect you to collect your first child at the allotted time and wait on the school field.

Can I come into the office?

At the moment communication with the office should be via telephone, email or at the first window. Parents are not currently accessing the building at all as we need to limit visitors to ensure the safety of our children and staff.

What happens if I'm late?

Our main control measure as an Infants school, is our bubbles and limited mixing of those bubbles, therefore it is paramount you are on time for drop off and collection. If you are late, you MUST bring your child to the office and not enter the grounds at the time of any other bubbles.
