

# Pipits Weekly Update!

9.5.2019

- Last week we all had a go at measuring ourselves to see how tall we were. We looked at who was the tallest and the shortest.
- Outside we have been really busy using the wooden planks and blocks to build different things. We have had buildings, castles, walk ways, all sorts!
- Our older children have started to look at rhyming words, playing games with words that rhyme, singing songs and reading rhyming stories.
- Our younger children have been introduced to Lola our Listening Leopard. Lola is a great listener and gives us some rules to help us become good listeners too. We have played games where we have to keep extra quiet so we don't wake up Lola. This has been very fun!

## HELP!

Please help your child at home by encouraging them to put on their own shoes and coats. Give your child lots of praise when they have a go, even if they need a little help. Velcro shoes are the easiest for children to get used to so if possible, can children wear Velcro/ slip on shoes to nursery.

Thank you and have a lovely weekend!
