World Book Day

Thank you

...to all our families for making the day such a success. There was a real 'book' focus and we were very appreciative of all the thought and effort that went in to the amazing costumes

... to St Ives Library for welcoming all our classes during the day. The children loved the day and were amazed at the number of books they could choose from. Hopefully, some budding new library members on their way to you very soon.

...the parents and carers who volunteered to support our visits to the library and walk up and down the infamous hill

...our staff members many of whom went up and down many times

...Ms Lewis for organising

And finally, but most importantly our children!

We are all very proud of how fantastic they were on the visit. It was our first visit in too long and from our youngest children right up to our eldest, they all conducted themselves so well. They displayed manners, consideration of others, gratitude and were very sensible on the library visits.

Parents Evening

Will be held school on the **21st and 22nd of March.**

Appointment request forms and further information will be sent out shortly.

You will have a meeting with the class teachers as usual, but also please do walk around school and take the time to see the recent improvements.

We would also like to invite you to stop by the hall where we will have available -

- School nursing and health visiting team
- Children and family services for all inquiries about parent courses and support available
- Our school governors for a meet & greet
- Stories by the Sea will be selling books and available for any book advice
- Information and samples from our lunch menu
- Opportunities for you to share your opinions and thoughts

FOSIIS

£84 was raised from the commission from the Cauliflower cards (sold at Christmas)

Thank you!

Kite Making workshop

We are hosting one of the kite making workshops for the St Ives Kite Festival on the 26th March.

Further details to follow shortly.

Easter Wellbeing Competition (run by Opus)

Opus are organising egg designing competition with the opportunity to win lots of lovely family prizes.

Children are invited to design an egg that represents their core values.

Further details and entry sheet sent separately via email.

Final Note

Our Culture of the Heart programme often focuses on gratitude and there is certainly a lot for us to be grateful at the moment.

The children have mentioned many gratitude's this week - the sun, visits, friendship, great costumes, interesting books etc.

This week I have certainly been grateful to see our children together for in person assemblies, enjoy the enjoyment of dressing up to elaborate books and the return of school trips. It's the simple things that bring the greatest joy.

Meur ras (Thank you) for all your support

Mrs Leisa Farrar
