

6th carley whear

In 1666 London was
leaving with popo.
Bar in 1666 London was
flammable the house
were ~~Edwot~~ ~~soa~~ there
clos together.

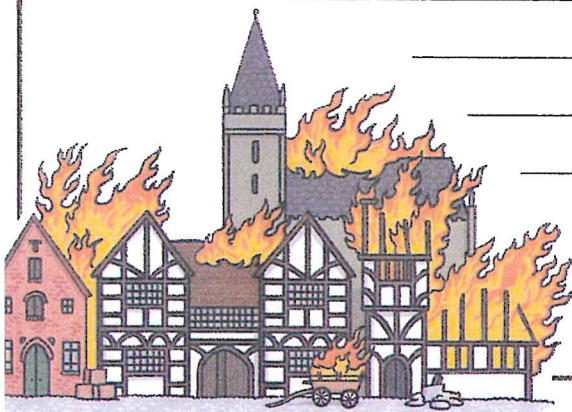

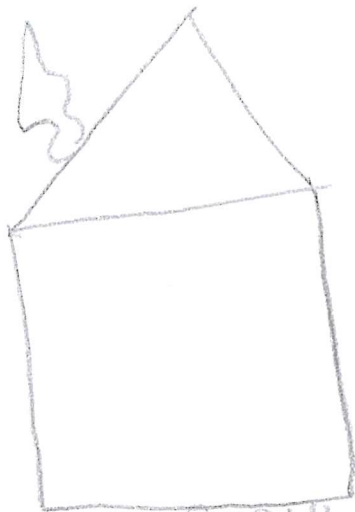

Tomas faraa was a
baca on poading
Lain he ~~sur~~ futhort he
put the fire out
but it was at out and
a ember fel out and
cost a fire and went
to a near pil of
twigs.

By Monday the town
was filled with smoke.
The brave fire fighters
were sweating but
the fire was too strong.

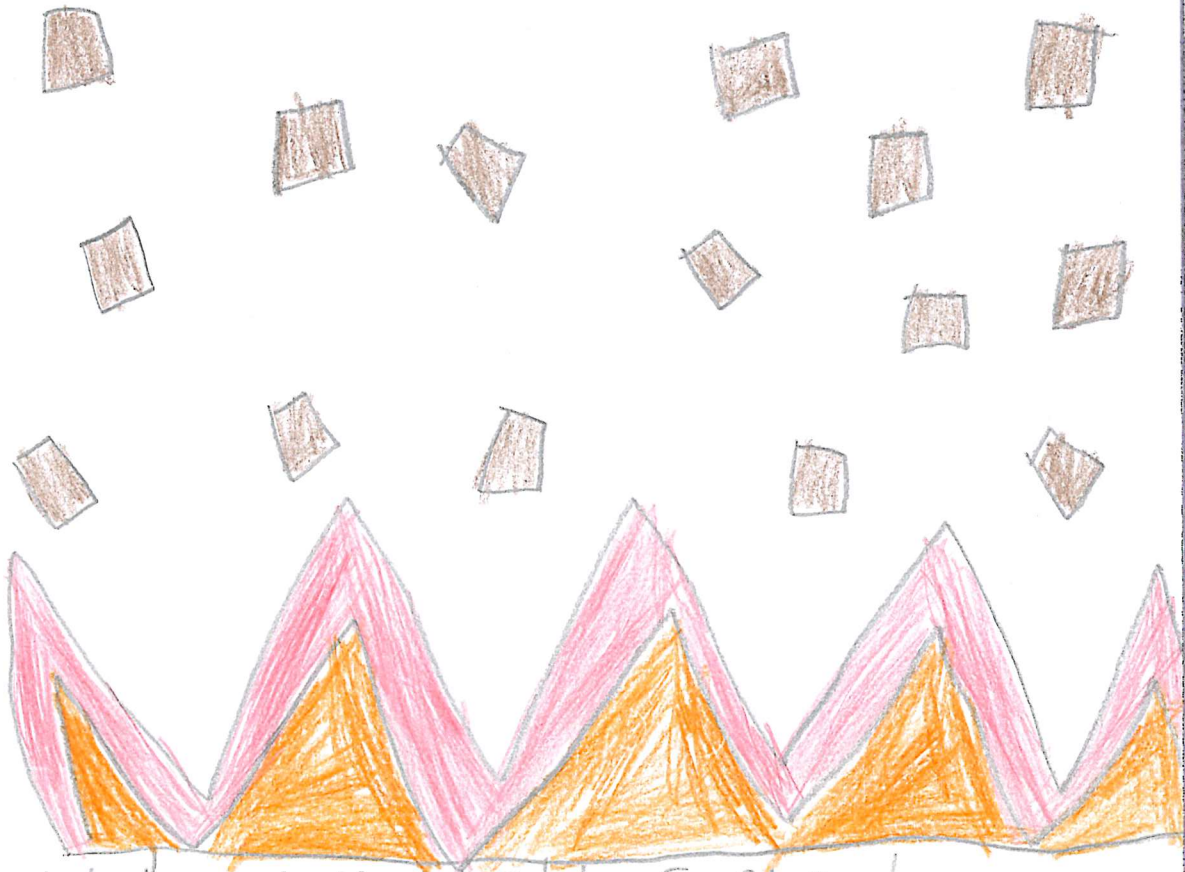

By the ^{early} ~~erly~~ ^{hours} ~~awer~~
of the morning ^{silently}
everything was burnt
the fire to ^{now}
to ^{now} the fire was
unstoppable that ^{now}
not put it out.

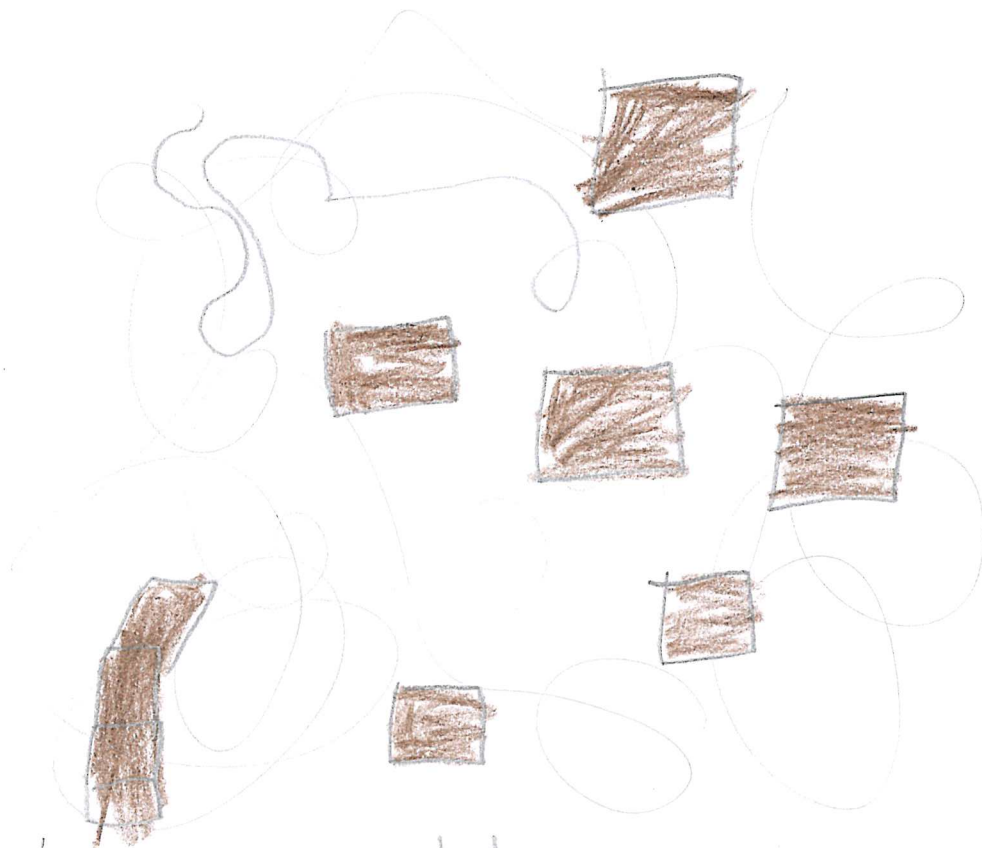

Now the bildins are
un recinizebl. Lots of
popele were leving the
town to herd. the
town was fild with
smoc. They pople
fled.

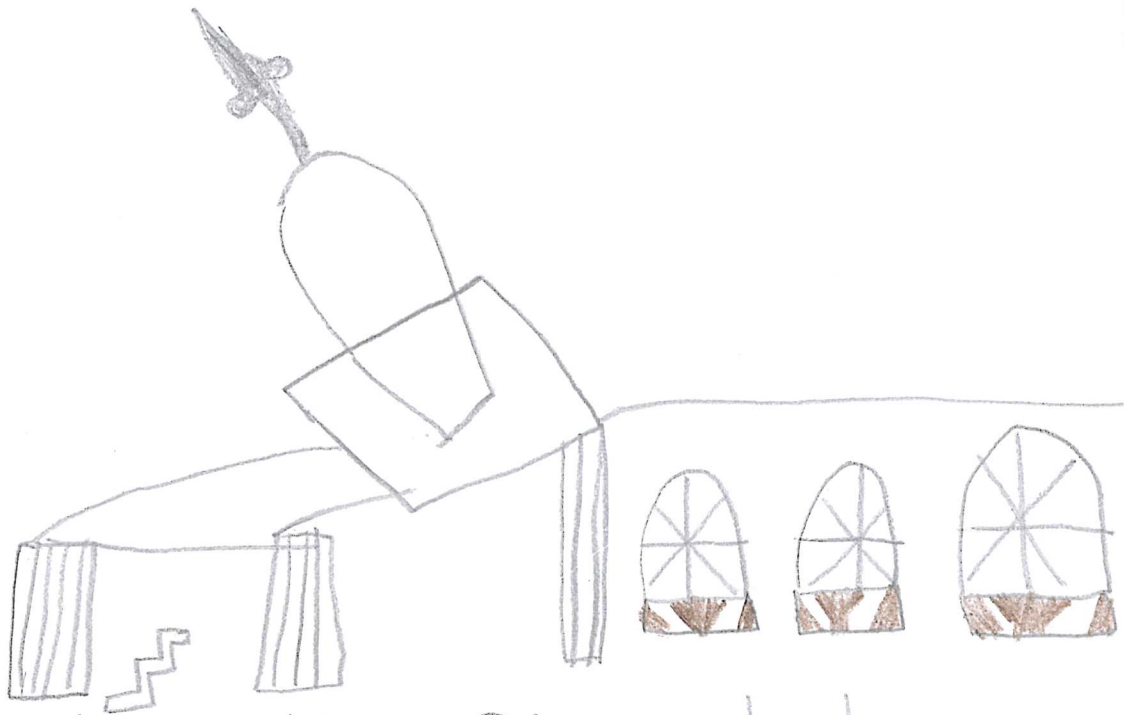

Wednesday 5th September
The King could make
to be pool'd don
and and blan up with
gill powder and dimalished
and the king order
bred to be given
out.

London was unrecognised
of that was left
was ~~the~~ wood people
were hammers.
But the tower
of London was soft
because if they did not
save it of the gun
powder it would
be a big
explosion it would
be up the hole.

When the fire had
gone out London was
had been rebuilt
but it took 30 yrs
for London to be
rebuilt.
