

Reception Weekly Update

Monday 9th March – Friday 13th March

We have been:

- Learning about Holi! We shared a story about Holi and explored colour with chalk paints, colour printing and food colouring in water and shaving foam
- Measuring and weighing ingredients to bake cakes
- Doing a Space dance with Terri-Ann the dance teacher!

In Phonics we have been:

- Learning the new digraphs 'oo' and 'ar' (a digraph is 2 letters that make 1 sound). The 'oo' digraph makes two different sounds and we have been distinguishing these in words when reading them e.g. moon/book

In Maths we have been:

- Ordering different items by their weight. We have been using scales to weigh objects and talking about whether they are 'lighter', 'heavier' or 'balanced'. Can you have a go at this at home?

Don't forget Parent/carer meetings are next week on Tuesday 17th and Wednesday 18th (3.30-6.00pm). Please sign up for an appointment if you haven't already. It is essential that all parent/carers attend a meeting with your child's class teacher to discuss your child's progress and celebrate their learning! Thank you.
